

Creative Hearts Learning Academy Newsletter 2020

OCTOBER

This month our theme will be focused on Community Helpers. Community helpers make communities cleaner, safer, and more pleasant for other people. They do many different things to help us every day. They provide us with goods (products we use) and services (things they do for us).

Nurses Corner

Reducing the risk of exposure to COVID-19 by cleaning and disinfection is our top Priority. We will continue to practice healthy hand hygiene.

Here's how to scrub those germs away:
Wet your hands with clean, running water (warm or cold).

Use soap and lather up for about 20 seconds.

Make sure you get in between your fingers, on the backs of hands.

Songs we have been learning

*Who do you see?
Tune: London Bridge*

*Community helpers are everywhere,
everywhere, everywhere
Community helpers are everywhere. Who do
you see?*

*I see the firefighter with a hose, with a
hose
I see the firefighter with a hose. He puts
out fires.*

*I see the officer on patrol, on patrol, on
patrol.
I see the officer on patrol, he keeps me
safe.*
